

My Passion and Purpose

My passion in life is to help women grow in God's Word and experience His touch on their lives.

God's Truth is life-changing. Reading it, meditating on it, and applying it to your life, is the most important thing you can do for yourself.

Spending time with the Lord should be the sweetest part of your day. It will strengthen and prepare you for what lies ahead.

My joy is the love of Our Savior, Jesus Christ, and the transforming power of God's Word. It would be my privilege to delve into God's Word with you.

I would be honored to share God's Truth at your next women's conference, retreat, seminar or special event.

Blessings,

Jessie

Themes, Topics & Etc.

Jessie felt God calling her into Women's Ministry several years ago at a "Women of Faith" event and for the past ten years she has followed His call on her life and not looked back. Today, she is enjoying the fruit of her obedience to God. Her passion is to see women get into the Word of God and have it make a difference in their lives.

Her ministry challenges women to make God a priority and inspires them to move into a whole-hearted lifestyle, one devoted fully to God.

Jessie is the Truth for Women Spiritual Growth Leader, a Lehigh Valley, PA organization, which helps women embrace God's Word.

Jessie's hope through her ministry and speaking engagements is that women will be encouraged to enjoy the presence of the Lord as she teaches His truth in a compassionate way based on her real-life experiences.

Jessie has many themes and topics to choose from to share with your women's group. She can also develop a message from your own theme or topic. Visit www.jessieseneca.com for additional themes, topics and descriptions.

Create in me a clean heart

The woman you become as you wait

How often do you think about the Lord's return and how prepared are you for that glorious day? Looking at what Paul tells us as women, we should be doing while we wait, you will be encouraged to know that holiness is a process and you need to train for it.

Lady-Like "ness"

A message for Teen girls

Jessie has developed this message to help teen girls understand the importance of being a young lady. *Lady-like* may be an old fashion term, but Jessie will give it relevance for girls in today's culture. Jessie's desire is to come along side your girls and encourage them to remain pure and be a utensil honorable for use (2 Timothy 2:21-22)

.... and this is what He requires, to do what is right, to love mercy, and to walk humbly with your God
