

## My Passion and Purpose

My passion in life is to help women grow in God's Word and experience His touch on their lives.

God's Truth is life-changing. Reading it, meditating on it, and applying it to your life, is the most important thing you can do for yourself.

Spending time with the Lord should be the sweetest part of your day. It will strengthen and prepare you for what lies ahead.

My joy is the love of Our Savior, Jesus Christ, and the transforming power of God's Word. It would be my privilege to delve into God's Word with you.

I would be honored to share God's Truth at your next women's conference, retreat, seminar or special event.

Blessings,

*Jessie*

# Themes, Topics & Etc.

Jessie has many themes and topics to choose from to share with your women's group. She can also develop a message from your own theme or topic. Visit [www.jessieseneca.com](http://www.jessieseneca.com) for additional themes, topics and descriptions.

Jessie Seneca felt God calling her into a speaking ministry for women in 1996 at a "Women of Faith" event she attended. Through, battling Cushings Syndrome, a life threatening disease, she knew there was more to "just" surviving, but that God was going to use her story in a way that would encourage women. Today, she is enjoying the fruit of her obedience to God through full-time ministry. She is the founder of More Of Him Ministries.

Jessie has shared with women in the U.S. and Canada. She enjoys seeing women get into the Word of God and have it make a difference in their lives. Her ministry challenges women to make God a priority and inspires them to move into a "wholehearted" lifestyle, one devoted fully to God. God uses Jessie's passion and wisdom to speak into the lives of her listeners and *now* readers. Her Bible studies, *The Secret is Out and Joseph, A Life of Rejection, Resilience and Respect* are available with a DVD series to accompany the workbook and her book, *Road Trip*, A personal journey through the detours and pit stops will help you see God's big picture in your own life, make you stronger and live a more purpose-filled life.

**Feminine Delight** looks at Biblical Womanhood, which is true beauty according to God's standard. Together we will learn to enjoy the presence of God in our daily lives and the refreshment that comes from an intimate relationship with Him. Jessie's desire is that you will become a woman of influence and passionately pass it on to others. *This is available as a four session retreat or adapt to One session*

Do you ever miss a day in God's Word? Do your days turn into weeks and your weeks into months without getting into His Truth? Do you ever feel God tugging on your heart strings to just step away from your daily routine and spend some time with Him? Walk with Jessie as she takes you into God's Word and see how making time with Him a priority in your life will make a difference in your every day thinking. *This is available as a four session retreat or adapt to one session.*

#### Create in me a clean heart

*The woman you become as you wait*

How often do you think about the Lord's return and how prepared are you for that glorious day? Looking at what Paul tells us as women, we should be doing while we wait, you will be encouraged to know that holiness is a process and you need to train for it.

#### Lady-Like "ness"

*A message for Teen girls*

Jessie has developed this message to help teen girls understand the importance of being a young lady. *Lady-like* may be an old fashion term, but Jessie will give it relevance for girls in today's culture. Jessie's desire is to come along side your girls and encourage them to remain pure and be a utensil honorable for use (2 Timothy 2:21-22)

.... and this is what He requires, to do what is right, to love mercy, and to walk humbly with your God  
*Micah 6:9*
